**Covid 19: Again we remind people to observe Covid restrictions while attending Church services. We**

ask that Holy Communion be received only in the hands at the moment. We ask that you wear masks or face coverings if possible, to sanitise hands on entering and leaving the Church and to observe social distancing within the Church and also as you enter and leave the Church. We again remind people that there is no obligation to attend Sunday Mass at present and those of advanced years or who are medically vulnerable should exercise special care. Some may wish to attend mass during the week rather than on Sunday to keep our numbers under 50. Mass can be viewed on Television or Social Media and most days on the live streaming on the Parish of Cloyne facebook page. We thank you all for following the guidelines which have been put in place in our Churches and all who have helped out in any way.

*As part of being winter ready, the Influenza vaccine is commencing soon. Particularly this year we, your local GPs, would encourage folk to consider taking it. Stock will be limited until mid -October and then be plentiful and this is plenty of time to immunise oneself. Lots of information is available on HSE.ie Consider vaccinating at your GP, Pharmacy or at Ireland First Drive thru Vaccination Clinic in Midleton.*
