Covid 19: We again wish to remind people to observe Covid restrictions while attending Church services.

We ask that Holy Communion be received only in the hands at the moment. We ask that you wear a masks or face coverings, (NOT VISOR) if possible, to sanitise hands on entering and leaving the Church and to observe social distancing within the Church. We ask people not to congregate as you enter and leave the Church. We again remind people that there is no obligation to attend Sunday Mass at present. Some may wish to attend Mass during the week rather than on Sunday to keep our numbers under 50. Because the number attending Mass is restricted to 50 we would ask those who are organising Anniversary Masses or Month's Mind Masses to invite only immediate family or to consider having the Mass during the week.

Funerals: Government guidance regarding funerals:

There is an increased risk of transmission of the virus where families and communities come together following the death of a loved one. Numbers at funeral services (and weddings) have been capped at 50 regardless of size of premises. Notwithstanding the increase in numbers permitted, funerals are still considered private family events and all notices in newspapers or online should be clear about this. Funeral services should continue to be live-streamed to reduce numbers attending. Attendance at wakes in private homes and at funeral homes remains unchanged ie. immediate family only and people should be discouraged from queuing to pay respects.

Dog Fouling in Cemetery:

It has been brought to the notice of the Parish Office that dogs are being allowed run free in the Cemetery and that there is dog fouling on the greens and on the graves. This is not acceptable. It would be preferable if dogs were not brought into the Cemetery at all, however, if you have to bring your dog with you, please make sure that it is on a lead and that you have a bag to clean up if the dog fouls while there. We look forward to the cooperation of all in this matter.
